## **ITRI-Rosenfeld Postdoctoral Fellowship**

### **Statement of Support from Research Mentor**

Potential research mentors must complete a one-page (max.) statement covering the following:

- the quality of the science proposed by the candidate and the potential impact of the research
- the alignment of the applicant's proposed research to the PI's current research work
- assurance that all of the necessary resources are in place to guarantee that the proposed project will be completed in the time frame of the fellowship
